If you are purchasing a license key for the purpose of the evaluation, you may use the source code for the purpose of evaluating the application. However, it is prohibited to distribute or publish the source code to anyone except to the vendor. You may not remove any copyright notices, labels or other information from the code, and any redistributed or commercial code must be legally acceptable for all jurisdictions in which it will be used. The source code is subject to the terms and conditions of the GNU GPL, the General Public License of the Free Software Foundation and other open source licenses. The GNU GPL shall take precedence over any other license terms that may apply to the FabFilter software, plug-ins and programs, in case of conflict. If you cannot agree with these terms, you must remove all copies of the FabFilter software, plug-ins and programs from your computer or return it to the vendor. The vendor reserves the right to change the terms of the license or of the license contract at any time. If you do not accept these terms, you must destroy all copies of the FabFilter software, plug-ins and

programs on your computer. Copyright (c) 2010-2013 FabFilter.COM & Copyright owners. All rights reserved. Redistribution and use in source and binary forms, with or without modification, are permitted provided that the following conditions are met:
